

## Multifunctional radio featuring CD drive

## IMPERIAL® DABMAN i300 CD

### WEBRADIO

- Easy access to thousands of free web radio stations

### UPnP/DLNA

- Connect the device with other UPnP/DLNA compatible devices

### CD Player

- CD and USB audio data playback (e.g. WAV, MP3)

Excellent sound quality, extremely versatile and small-sized: the IMPERIAL DABMAN i300 CD is the ultimate all-in-one-solution when it comes to micro HiFi systems. The high quality device covers the reception of digital DAB+ and analogue FM radio as well as of about 25000 web radio stations (if connected to a home network with internet access). The internal CD drive plays back music CDs, music playback of several types of data (MP3, WMA, AAC, WAV) via UPnP and Bluetooth is also supported. The speakers create an excellent sound with up to 20W RMS each that may be adjusted to individual preferences via equalizer. Easy operation via remote control or UNDOK smart phone application, multilingual OSD menu and additional features (alarm clock mode, sleep timer, favourites) round off the DABMAN i300 CD's range of functions, making it an extremely well-balanced everyday companion.
