

All-In-One  
HiFi System with  
integrated amplifier

# IMPERIAL DABMAN i550 CD

FULL-SCALE MUSIC STREAMING ACCESS!\*

amazon music | Spotify | deezer | napster | qobuz | TIDAL

\* if supported by provider and software

The IMPERIAL DABMAN i550 CD is a full scale all-in-one HiFi system. Its high-quality and elegant chassis in „classic“ 17” dimensions accommodates everything you need if you are looking for a sophisticated HiFi system: DAB+ digital, analogue FM as well as web radio, CD & network player, a large portfolio of music streaming services, Bluetooth, WiFi etc. - it is easier to list the

features, that the DABMAN i550 CD lacks. The internal amplifier creates a solid, natural sound and offers sufficient reserves. The system's high variety of connections offers maximum versatility. It may be easily operated via remote control or via smart phone/tablet by using the free application (iOS and Android supported).

## Highlights

- DAB+, FM RDS and internet radio featuring CD and network Player etc.
