

Hybrid Stereo
Radio

TELESTAR DIRA S 2

The DIRA S 2 is part of TELESTAR's new hybrid and digital radio series. It unifies state-of-the-art hybrid radio technology, good sound properties and a one-of-a-kind usability. It receives DAB+, FM and web radio signals, using two 3" speakers to create a neat stereo sound experience. It is UPnP and Bluetooth compliant and comes with a versatile USB media mode, supporting different types of data playback. A real highlight is the

record feature, allowing to record your favourite radio show or music on an external USB device either by simply pushing the record button or by easily programming a schedule via the pretty user-friendly timer menu. Many additional features, such as alarm clock mode, sleep timer, multilingual menu, and favourite keys top off the list of its features, making the TELESTAR DIRA S 2 a one-of-a-kind hybrid radio in its price range.

Highlights

- Compact DAB+/FM & Webradio in a classy housing
- Bluetooth 5.1, UPnP, 2,4 GHz WiFi
