

IMPERIAL® DABMAN BT 40

Portable DAB+/FM radio featuring Bluetooth mode for the connection of external devices, e.g smart phones etc.

Due to its versatility, the portable DABMAN BT 40 is an ideal travel companion. Powered by a changeable li-ion battery, the radio supports digital DAB+ as well as analogue FM radio reception, features an alarm clock and snooze function as well as sleep timer and many more useful functions. Another plus is the Bluetooth compatibility, allowing to wirelessly connect external devices (smart phones etc.) with the DABMAN BT 40 in order to play back stored or streamed music and supporting basic phone functions (accept call, speakerphone function). Thanks to its AUX In connection, the compact radio may be used as loudspeaker for MP3 players and other devices.
